

Across The Great Divide; Kate Wolf

I've been walking, in my sleep
Counting troubles, instead of counting sheep
Where the years went, I can't say
I just turned around, and they've gone away

And I've been sifting, through the layers
Of dusty books, and faded papers
They tell a story, I used to know
It was one that happened, so long ago

Chorus:

*It's gone away, in yesterday
And I find myself, on the mountainside
Where the rivers change direction
Across the great divide*

Well I heard, the owl a-calling
Softly as, the night was falling
With a question, and I replied
But he's gone, across the border line

(Chorus) "He's gone away..."

(Break)

The finest hour, that I have seen
Is the one, that comes between
The edge of night, and the break of day
It's when the darkness, rolls away

*(Chorus *2)*
