

Adieu false heart – Trad (ca. 1860-70) [banjo notes: sawmill capo2 Gm/Cm = Am/Dm]

Am
Adieu false heart, now we must part
May the joys of the world, go with you
I loved you long, with a faithful heart
But never any more, can I believe you

Am
I've seen the time, I'd a-married you
And been your constant lover
But now I gladly, give you up
For one whose heart, is truer

Am
You think you are, too good for me
You think I am, forsaken
But if you think, I care for you
You are very much, mistaken

Am
My mind is like, the constant sun
From the east to the west, it ranges
But yours is like, unto the moon
It's every month, it changes

Am
When I lay down, to take my rest
(a capella) Dm Am
No scornful one, to wake me

I'll go straight way, unto my grave
Just as fast as time, can take me

(repeat first verse)
