 The moon - light and mus -ic and danc -ing are done.

Will we climb the hills once more? Will we walk the woods together?
 Will I feel you holding me close once again?
 Will every song we've sung stay with us forever?
 Will you dance in my dreams or my arms until then?

Under the moon the mountains lie sleeping,
 Over the lake the stars shine.
 They wonder if you and I will be keeping,
 The magic and music, or leave them behind.
