

Bring Them Home (If You Love Your Uncle Sam)

Pete Seeger

II-21

Chords:**Capo 2:** G /// Em /// C/G/ D/G/**No Capo:** A /// F#m /// D/A/ E/A/

If you love this land of the free	G
Bring `em home, bring `em home	Em
`Bring them back from overseas	C G
Bring `em home, bring `em home	D G

It will make the politicians sad, I know
 Bring `em home, bring `em home
 They wanna tangle with their foe
 Bring `em home, bring `em home

They wanna test their grand theories
 Bring `em home, bring `em home
 With the blood of you and me
 Bring `em home, bring `em home

Now we'll give no more brave young lives
 Bring `em home, bring `em home
 For the gleam in someone's eyes
 Bring `em home, bring `em home

The men will cheer and the boys will shout
 Bring `em home, bring `em home
 Yeah and we will all turn out
 Bring `em home, bring `em home

The church bells will ring with joy
 Bring `em borne, bring `em home
 To welcome our garland girls and boys
 Bring `em home, bring `em home

We will lift their voice and sound
 Bring `em home, bring `em home
 Yeah, when Johnny comes marching home
 Bring `em home, bring `em home

Bring `em home, bring `em home (x4)

I may be right I may be wrong
 Bring `em home, bring `em home
 But I got a right to sing this song
 Bring `em home, bring `em hom
