

## Build a Little Bridge

Steve Gibson

We're all locked up tight just sitting here scowling C  
 Barely peeking outside of our cocoon G  
 Do you think we could break this isolation C F  
 And knock that disconnect beyond the moon? C G C

If we -  
Give a little wave to a stranger C  
 Introduce ourselves to someone we don't know G  
 Build a little bridge across that great di-vide C C/B-Am  
 Where the fear of the unknown river likes to flow C G C

We're more the same than we are different C  
 Just flesh and blood not made of wood G  
 Who was that said we should love our neighbor C F  
 Well it was Jesus and Mohammed and Buddha C G  
 So I think we should C

We should -  
Give a little wave to a stranger C  
 Introduce ourselves to someone we don't know G  
 Build a little bridge across that great di-vide C C/B-Am  
 Where the fear of the unknown river likes to flow C G C

It's a beautiful day - can't keep from smiling C  
 I'm headed outside into the sun G  
 I'm a missionary in the church of friendship C F  
 But so far that membership is only one C G C

So I'll -  
Give a little wave to a stranger C  
 Introduce myself to someone I don't know G  
 Build a little bridge across that great di-vid e C C/B-Am  
 Where the fear of the unknown river likes to flow C G C

### repeat first chorus Acapella

That fear of the unknown river's got to go C G C
