

Bury Me Under the Weeping Willow Tree Traditional - Carter family

A D A E A

Well my heart is sad and I am lonesome

A E (E7)

For the only one I love

When shall I see him, oh, no never

E A
till we meet in heaven above

Oh bury me beneath the willow

A E (E7)

Under the weeping willow tree

So that he may know where I am sleeping

E A
And perhaps he'll weep for me

A D A E A

They told me that he did not love me

A E (E7)

I could not believe it was true

Until an angel softly whispered

E A
He has proven untrue to you

CHORUS

Tomorrow was our wedding day

A E (E7)
But oh Lord, Lord where is he?

A D
He's gone to see him another bride

E A
And cares no more for me

CHORUS
