

# Cowboy Rides Away; George Strait

I knew the stakes were high right from the start,  
When she dealt the cards I dealt my heart,  
Now I just found a game that I can't play,  
This is where the cowboy rides away.

## Chorus 1:

*And my heart is sinking like the setting sun,  
Setting all the things I wish I'd done.  
It's time to say goodbye to yesterday,  
This is where the cowboy rides away.*

We've been in and out of love and in between,  
And now we've played the final showdown scene.  
And as the credits roll a sad song starts to play,  
This is where the cowboy rides away.

## Chorus 2:

*And my heart is sinking like the setting sun,  
Setting all the things I wish I'd done.  
Oh the last goodbye's the hardest one to say,  
This is where the cowboy rides away.*
