

CROSSING THE BAR

Alfred Lord Tennyson

G C D G
Sunset and evening star,
G D G
And one clear call for me!
G C D G
And may there be no moaning of the bar,
Em D G
When I put out to sea.

G C G Em D G
When I put out to sea, When I put out to sea,
G C D Em
And may there be no moaning of the bar,
C D G
When I put out to sea.

G C D G
But such a tide as moving seems asleep,
G D G
Too full for sound and foam,
G C D G
When that which drew from out the boundless deep,
Em D G
Turns again home.

G C G Em D G
Turns again home, turns again home
G C D Em
When that which drew from out the boundless deep
C D G
Turns again home.

G C D G
Twilight and evening bell,
G D G
And after that the dark!
G C D G
And may there be no sadness of farewell,
Em D G
When I embark.

G C G Em D G
When I embark, when I embark,
G C D Em
And may there be no sadness of farewell,
C D G
When I embark.

G C D G
For tho' from out our bourne of Time and Place
G D G
The flood may bear me far,
G C D G
I hope to see my Pilot face to face
Em D G
When I have crossed the bar.

G C G Em D G
When I have crossed the bar, when I have crossed the bar,
G C D Em
I hope to see my Pilot face to face,
C D G
When I have crossed the bar.
