

## Crossing the Water

Bill Staines      IV-32

### Chorus:

We are crossing the waters our whole lives through,  
 We are making a passage that is straight and true,  
 Every heart is a vessel, every dream is a light,  
 Shining through the darkness of the blackest night.

 G D/F# A D

There is no shallow water and not but love to keep  
 Us safely from the danger and the devils of the deep.  
 But with every breath within us, we look forever more,  
 To find some peaceful harbor on some far off shore.

### Chorus

For some it is a glory, for some it is a game  
 For some it is a story filled with emptiness and pain,  
 But as rising winds in chorus, we search for steady ground,  
 There is only that before us, there can be no turning 'round.

### Chorus

Oh, there is no other journey that will ever be the same,  
 No second chance horizon that will call you by your name.  
 So when welling waves wash o'er you and the stormy winds they drive  
 Give your heart a song, sing it loud and long, keep your dreams alive.
