As we go marching along.

Dance all night with the fiddler's girl,  
Swing her round the corner all around the world.  
Swing that calico Sally Ann,  
For we don't give a damn, gonna catch her if we can.

I left my jawbone sittin' on a fence,  
I ain't seen nothin' of my jawbone since;  
Walked on home and didn't get along,  
In come Sally with her blue dress on.

Who's been here since I been gone?  
Pretty little girl with the red dress on;  
She took it off and I put it on,  
In come Sally with her big boots on.
