

EVERY ROAD I TAKE -- Sue Foley

E/G

Standing all alone at the edge of town,

B7

I want to run away, I want to turn around.

E/G

I tried to deny what I already knew:

A

B7

E/G

Every road I take leads me back to you.

E/G

Every road I take, every mile I tread,

Every drop of rain, every tear I shed,

In the daytime, baby, in the night time too,

Every road I take leads me back to you.

We don't get along. We don't see eye to eye.

I tell you I love you. I tell you good-bye.

You don't know what my heart's going through.

Every road I take leads me back to you.

*Instrumental break*

Vamp: E - F# - G# - A A A A A

E/G / / /

Repeat Vamp A / / /

B7 / / /

E/G / / / / / etc.

I try and I try to leave this place,

But when I turn around I always see your face.

It don't matter what I try to do:

Every road I take leads me back to you.

Back to you. Back to you...

*Extend by adding another break and more stanzas.*
