

FARE THEE WELL

G F G F D7
Oh, fare thee well I must be gone and leave you for a while

G Em C Em
Wherever I go I will return if I go ten thousand miles

G Em C D7 G
If I go--- If I go--- If I go ten thousand miles

F G F D7
Oh ten thousand miles it is so far to leave me here alone

G Em C Em
While I may lie lament and cry and you'll not hear my moan

G Em C D7 G
And you'll ---- no you'll ---- and you'll not hear my moan

F G F D7
Oh the crow that is so black my love will change his color white

G Em C Em
If ever I should prove false to thee the day will turn to night

G Em C D7 G
Yes the day--- oh the day--- yes the day will turn to night.

F G F D7
Oh, the rivers never will run dry or the rocks melt with the sun

G Em C Em
I'll never prove false to the boy I love 'til all these things be done

G Em C D7 G
'til all--- 'til all--- 'til all these things be done.
