

**Five Long Years** - Eddie Boyd, '52; Clapton, Buddy Guy, Yardbirds

Have you ever been mistreated?

You know just what I'm talking about,

I worked five long years for one woman,  
she had the nerve to put me out.

I got a job in a steel mill  
shucking steel like a slave,

Five long years, every Friday I come  
straight back home with all my pay.

I finally learned my lesson,  
should a long time ago,

The next woman that I marry,  
she gonna work and bring me the dough.
