Nel - lie lost her way, I found her when the snow was on the ground.

2. I went out to see her,
 There was a big, round moon.
 Her mother said she just stepped out,
 But would be returning soon.
 I found her little footprints and
 I traced them in the snow.
 I found her when the snow was on the ground.
Chorus

3. Now she's up in heaven,
 She's with the angel band.

 I found her when the snow was on the ground.
