

Fox On The Run – Tony Hazzard; first rec. by Manfred Mann

(Chorus)

D *A* *Em* *G*
She walked through the corn leading down to the river,
Em *A* *G* *D*
Her hair shone like gold in the hot morning sun.
D *A* *Em* *G*
She took all the love that a poor boy could give her,
Em *A* *G* *D*
And left me to die like a fox on the run.
G *D*
Like a fox (like a fox, like a fox,) on the run.

G *D* *A* *D*
Everybody knows the reason for the fall.
G *D* *E* *A*
When woman tempted man down in paradise's hall.
G *D* *A* *D*
This woman tempted me all right then took me for a ride,
G *D* *A* *D*
And like a lonely fox, boys I need a place to hide.

(Chorus)

G *D* *A* *D*
We'll drink a glass of wine boys to fortify our souls.
G *D* *E* *A*
We'll talk about the world and friends we used to know.
G *D* *A* *D*
I see a string of girls who have put me on the floor,
G *D* *A* *D*
The game is nearly over and the hounds are at my door.

(Chorus)

G *D* *A* *D*
It was many years ago but it feels like yesterday.
G *D* *E* *A*
She led me through the corn on that fateful summer day.
G *D* *A* *D*
I saw the sunlight in her hair saw the promise in her eyes,
G *D* *A* *D*
And I-I didn't even care that her words of love were lies.

(Chorus)
