

GARDEN SONG

Dave Mallett

(chorus)

D G D
Inch by inch, row by row

G A D
Gonna make this garden grow

G A D Bm
All it takes is a rake and a hoe
E7 A7

And a piece of fertile ground

D G D
Inch by inch, and row by row

G A D
Someone bless these seeds I sow

G A D Bm
Someone warm them from below
E7 A D

Till the rain comes tumblin' down

D G D
Pullin' weeds and pickin' stones

G A D
Man is made of dreams and bones

G A D Bm
Feel the need to grow my own
E7 A7

'Cause the time is close at hand

D G D
And grain for grain, sun and rain

G A D
Find my way in nature's chain

G A D Bm
And tune my body and my brain

E7 A D
To the music from the land

(chorus)

D G D
Plant your rows straight and long

G A D
And temper them with prayer and song

G A D Bm
And Mother Earth will keep you strong
E7 A7

If you give her love and care

D G D
An old crow watchin' hungrily

G A D
From his perch in yonder tree

G A D Bm
And in my garden I'm as free

E7 A D
As that feathered thief up there

(chorus)
