I got a girl in the war man I wonder what it is we done			<i>Cm Ab Eb</i>

Paul said to Peter you got to rock yourself a little harder
 Pretend the dove from above is a dragon and your feet are on fire
 But I got a girl in the war Paul the only thing I know to do
 Is turn up the music and pray that she makes it through

Because the keys to the Kingdom got locked inside the Kingdom
 And the angels fly around in there but we can't see them
 I got a girl in the war Paul I know that they can here me yell
 If they can't find a way to help her they can go to hell
 If they can't find a way to help her they can go to hell

Break

Paul said to Peter you got to rock yourself a little harder
 Pretend the dove from above is a dragon and your feet are on fire
 But I got a girl in the war Paul her eyes are like champagne
 They sparkle bubble over and in the morning all you got is rain
 They sparkle bubble over and in the morning all you got is rain
 They sparkle bubble over and in the morning all you got is rain
