

Green Eyes; Kate Wolf

6m 1
Every night we light the candle
5 1
That stands beside our bed
6m 4
But sometimes the flame's too much to handle
1 5 6m
That's what you said, that's what you said, You should know
4 1
Because you built a fire in me and you made it burn
4 1 5
You followed me, watching every move, Matching every turn

Chorus:

1 5
your Green eyes they don't miss a thing
6m 4
They hold me like the sun going down
2' 5 6m 5 6m
and warm me like a fire in the night, without a sound

6m 1
And you were waiting 'till I heard
5 1
Just as patient as that love-light in your eyes
6m 4
You never threw away a word
1 5 6m
Or ever talked in a disguise, I ought to know
4 1
You were a beacon to a sailor lost at sea
4 1 5
I saw it in your eyes when you looked at me, So openly

(Chorus)

6m 1
The first time I ever saw your laughter
5 1
Break loose inside and tumble out to me
6m 4
My heart knew it had found what it was after
1 5 6m
And it came so easily, we should know
4 1
After all the years of the hard and lonely times
4 1 5
Now our days go by like best friends' story lines, Yours and mine

(Chorus)
