

Have You Ever Loved a Woman

- Billy Miles 1960, rec Freddie King 1961

Have you ever loved a woman
So much you tremble in pain?
Have you ever loved a woman
So much you tremble in pain?
All the time you know
She bears another man's name.

You just love that woman
So much it's a shame and a sin?
You just love that woman
So much it's a shame and a sin?
Yes, you know, yes you know
She belongs to your very best friend.

Have you ever loved a woman
One that you know you can't leave her alone?
Have you ever loved a woman
One you know you can't leave her alone?
But there's something deep inside a-you
Won't let you wreck you best friend's home.
