

**I Fall To Pieces recorded by Patsy Cline**

G C D7  
I Fall To Pieces  
C D7 G  
Each time I see you again

C D7  
I Fall To Pieces  
C D7 G  
How can I be just your friend?

D7 C  
You want me to act like we've never kissed,  
D7  
You want me to forget,  
G  
Pretend we've never met  
G7 C D7  
And I've tried and I've tried  
G G7 C  
But I haven't yet, you walk by  
D7 G  
And I fall to pieces

**Instrumental**

C D7  
I Fall To Pieces  
C D7 G  
Each time someone speaks your name

C D7  
I Fall To Pieces  
C D7 G  
Time only adds to the flame

G7 C  
You tell me to find someone else to love  
D7  
Someone who'll love me too  
G

The way you used to do  
G7 C D7  
But each time I go out  
G

With someone new  
G7 C D7 G  
You walk by and I fall to pieces  
G7 C D7 G  
You walk by and I fall to pieces
