

I Remember Everything; John Prine

I've been down this road before; I remember every tree
Every single blade of grass; Holds a special place for me
And I remember every town; And every hotel room
And every song I ever sang; On a guitar out of tune

I remember everything; Things I can't forget
The way you turned and smiled on me; On the night that we first met
And I remember every night; Your ocean eyes of blue
How I miss you in the morning light; Like roses miss the dew

(break)

I've been down this road before; Alone as I can be
Careful not to let my past; Go sneaking up on me
Got no future in my happiness; Though regrets are very few
Sometimes a little tenderness; Was the best that I could do

I remember everything; Things I can't forget
Swimming pools of butterflies; That slipped right through the net
And I remember every night; Your ocean eyes of blue
How I miss you in the morning light; Like roses miss the dew

(outro)
