

**I Shall Be Released**

Bob Dylan I-50

C Dm  
They say ev'rything can be replaced,

Em F G C

Yet ev'ry distance is not near.

C Dm

So I remember ev'ry face

Em F G C F G

Of ev'ry man who put me here.

C Dm

I see my light come shining

Em F G C

From the west unto the east.

C Dm

Any day now, any day now,

Em F G C

I shall be released.

They say ev-'ry man needs protection,

They say ev'ry man must fall.

Yet I swear I see my reflection

Some place so high above this wall.

I see my light come shining

From the west unto the east.

Any day now, any day now,

I shall be released.

**Break twice**

Standing next to me in this lonely crowd,

Is a man who swears he's not to blame.

All day long I hear him shout so loud,

Crying out that he was framed.

I see my light come shining

From the west unto the east.

Any day now, any day now,

I shall be released.
