

I Still Miss Someone G

G C D7
At my door the leaves are falling

C D7 G
The cold wild wind will come

C D7
Sweethearts walk by together

C D7 G
And I still miss someone

C D7
I go out on a party

C D7 G
And look for a little fun

C D7
But I find a darkened corner

C D7 G
Because I still miss someone

Chorus:

C D7 G
I never got over those blues eyes

C D7 G
I see them everywhere

C D7 G
I miss those arms that held me

C D7 G
When all the love was there

C D7
I wonder if she's sorry

C D7 G
For leaving what we'd begun

C D7
There's someone for me somewhere

C D7 G
And I still miss someone

Break

Chorus

C D7
I wonder if she's sorry

C D7 G
For leaving what we'd begun

C D7
There's someone for me somewhere

C D7 G
And I still miss someone
