

I Will Always Love You - Dolly Parton

If I, should stay
I would only be in, your way.
So I'll go, but I know
I'll think of you, each step of the way-ay

And I...I will always love you oo oo
I, will always love you,
My darling, you...

Bittersweet, memories
That is all, I'm taking with me.
So good-bye, please don't cry
We both know, I'm not what you need

And I...I will always love you oo oo
I, will always love you,
My darling, you...

I hope life, treats you kind
And I hope, you have, all you've dreamed of.
I wish you joy, and happiness
But above all this, I wish you love
