

I WONDER WHERE YOU ARE TONIGHT

4/4 time, key of G

G / | / **G** / | / **C** / | / **C** / | /
Tonight I'm sad my heart is weary

D / | / **D** / | / **G** / | / **G** / | /
Wond'-ring if I'm wrong or right To

G / | / **G** / | / **C** / | / **C** / | /
dream a-bout you tho you left me I

D / | / **D** / | / **G** / | / **G** / | /
wonder where you are to-night The

chorus:

C / | / **C** / | / **G** / | / **G** / | /
rain is cold and slowly falling

G / | / **G** / | / **D** / | / **D** / | /
Upon my window pane to-night And

G / | / **G** / | / **C** / | / **C** / | /
though your love seems even colder I

D / | / **D** / | / **G** / | / **G** / | /
wonder where you are to-night

Your heart was cold you never loved me
Though you often said you cared
But now you've gone and found another
Someone who'll know the love I shared

Then came the dawn the day you left me
I tried to smile with all my might
But you could see the pain within me
That lingers in my heart tonight
