

# I'm So Lonesome I Could Cry

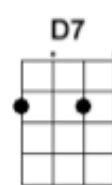

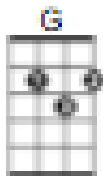

1949 by Hank Williams

G  
Hear that lonesome whippoorwill;  
G7  
He sounds too blue to fly.  
C G D7 G  
The midnight train is whining low, I'm so lonesome I could cry.  
G  
I've never seen a night so long,  
G7  
when time goes crawling by.  
C G  
The moon just went behind a cloud  
D7 G  
to hide its face and cry.

G  
Did you ever see a robin weep,  
G7  
When leaves began to die?  
C G  
That means he's lost the will to live,  
D7 G  
I'm so lonesome I could cry.

G  
The silence of a falling star  
G7  
Lights up a purple sky.  
C G  
And as I wonder where you are  
D7 G D7 G  
I'm so lonesome I could cry. I'm so lonesome I could cry.
