

# In My Hour Of Darkness

Gram Parsons and Emmylou Harris I-59

## Chorus:

D  
 In my hour of darkness  
 In my time of need  
 A  
 Oh, Lord grant me vision  
 G D  
 Oh, Lord grant me speed

D  
 Once I knew a young man went driving through the night  
 A G D  
 Miles and miles without a word with just his high-beam lights  
 G D G D  
 Who'd have ever thought they'd build such a deadly Denver bend  
 A G D  
 To be so strong, to take as long as it would till the end

## Chorus

Another young man safely strummed his silver string guitar D  
And he played to people everywhere; some say he was a star A G D  
 But he was just a country boy, his simple songs confess G D G D  
 And the music he had in him, so very few possess A G D

## Chorus

Then there was an old man, kind and wise with age D  
And he read me just like a book and he never missed a page A G D  
 And I loved him like my father, and I loved him like my friend G D G D  
 And I knew his time would shortly come, but I did not know just when A G D
