

It Doesn't Matter Anymore; Buddy Holly

1 <u>There</u> you go and baby here am I	1
5 ⁷ well you <u>left</u> me here so I could sit and cry	5 ⁷
1 Golly <u>gee</u> what have you done to me	1
5 ⁷ 1 well I <u>guess</u> it doesn't matter <u>anymore</u>	5 ⁷ 1
<u>Do</u> you remember baby last September	1
How you <u>held</u> me tight each and every night	5 ⁷
whoops- <u>a-daisy</u> how you drove me crazy	1
But I <u>guess</u> it doesn't matter <u>anymore</u>	5 ⁷ 1
Chorus:	
6m <u>There's</u> no use in me a-crying	6m
1 I've <u>done</u> everything now I'm sick of trying	1
2 ⁷ I've <u>thrown</u> away my nights	2 ⁷
5 ⁷ wasted all my days over <u>you</u>	5 ⁷
(Break, Verse and Chorus)	
<u>Now</u> you go your way baby I'll go mine	1
Now and <u>forever</u> till the end of time	5 ⁷
I'll find <u>somebody</u> new and baby,	1
we'll say we're through	
And <u>you</u> won't matter <u>anymore</u>	5 ⁷ 1
(Chorus)	
<u>Now</u> you go your way baby and I'll go mine	1
Now and <u>forever</u> till the end of time	5 ⁷
I'll find <u>somebody</u> new and baby,	1
we'll say we're through	
And <u>you</u> won't matter <u>anymore</u>	5 ⁷ 1
No <u>you</u> won't matter <u>anymore</u>	5 ⁷ 1
<u>You</u> won't matter <u>anymore</u>	5 ⁷ 1
