Birds do it, bees do it;
Romantic spon-ges they say do it;
Cape Cod clams against their wish do it,

Even educated fleas do it --
Oysters down in Oyster Bay do it -
Even lazy jelly fish do it --

Some Argentines, without means do it,
In shallow shoals, English soles do it;

People say in Boston even beans do it --
Goldfish in the privacy of bowls do it --

Let's do it, let's fall in love.
Let's do it, let's fall in love.
Let's do it, let's fall in love.

The chimpanzees in the zoos do it
Some courageous kangaroos do it
Let's do it, let's
fall in love

I'm sure giraffes on the sly do it
Even eagles as they fly do it
Let's do it, let's fall in love

Electric eels I might add do it
Though it shocks em I know
Why ask if shad do it - garcon de
"shad roe"

The world admits bears in pits do it
Even Pekingeses at the Ritz do it
Let's do it, let's fall in love

The dragonflies in the reeds do it,
Sentimental centipedes do it,
Let's do it, let's fall in love.

Mosquitoes, heaven forbid, do it,
So does every katydid do it,
Let's do it, let's fall in love.

The most refined ladybugs do it,
When a gentleman calls,
Moths in your rugs do it,
What's the use of moth balls?

Locusts in trees do it,
Even overeducated fleas do it,
Let's do it, let's fall in love.

I'm sure sometimes on the sly you do it
Maybe even you and I might do it
Let's do it, let's fall in love
Let's do it, let's fall in love

Let's do it, let's fall in love
