

Let's Get Together

1963 by Chet Powers

D C
Love is but a song we sing, fear's the way we die.
D C
You can make the mountains ring or make the angels cry.
D C
Tho' the bird is on the wing and you may not know why. . .

CHORUS: (2X) G A
C'mon people now, smile on your brother.
D G A D
Ev'rybody get together, try to love one another right now!

D C
Some will come and some will go, we shall surely pass.
D C
When the one that left us here returns for us at last.
D C
We are but a moment's sunlight, fading in the grass.

CHORUS (2X)

D C
If you can hear the song I sing, you will understand.
D C
You hold the key to love and fear in your trembling hand.
D C
Just one key unlocks them both, it's there at your command.

CHORUS: (2X) G A
C'mon people now, smile on your brother.
D G A D
Ev'rybody get together, try to love one another right now!
D D
(Last time:) Right now, Right now!

CHORDS USED IN SONG
