        [C   D   E-  E-  , C   D   G   G   ]

C       D      E-     C     D        G
 Love will abide,  take things in stride.
C          B⁷      E-                   A       A⁷     D
 Sounds like good advice, but there's no one at my side.
D⁷    C      D       E-     C      D        G
 And time,  washes clean,  love's wounds unseen.
C          B⁷        E-              A          A⁷      D
 That's what someone told me, but I don't know what it means,
   D⁷       C                 G               B⁷                    E-
    Cause I've done everything I know, to try and make you mine,
   C      G         D     E-      C     G    D    G
    And I think I'm gonna love you, for a long, long time.

        [C   D   E-  E-  , C   D   G   G   ]

C        D      E-     C        D      G
 Caught in my fears,  blinking back the tears.
C          B⁷      E-                 A        A⁷      D
 I  can't say you hurt me, when you never let me near
D⁷    C  D      E-      C      D        G
 And  I,  never drew,  one response from you.
C          B⁷        E-              A          A⁷      D
 All the while you fell, all over ones you never knew:
   D⁷       C                 G               B⁷                    E-
    Cause I've done everything I know, to try and make you mine,
   C      G         D     E-      C     G    D    G
    And I think IT'S GONNA HURT ME, for a long, long time.

        [C   D   E-  E-  , C   D   G   G   ]

C   D        E-     C       D    G
Wait for the day,  you'll go away.
C          B⁷      E-                   A         A⁷       D
 Knowing that you warned me, of the price I'd have to pay.
D⁷   C       D       E-      C    D         G
 And life's,  full of flaws,  who knows the cause?
C          B⁷        E-            A          A⁷      D
 Living in the mem-ry of a love that never was:
   D⁷       C                 G               B⁷                    E-
    Cause I've done everything I know, to try and CHANGE YOUR MIND,
   C      G         D     E-      C     G    D    G
    And I think I'm gonna MISS YOU, for a long, long time.
