

# Loving Arms; Tom Jans; Kris Kristofferson

If you could <sup>1</sup> see me now,  
4            5                            1                            1  
One who said that he'd rather roam,  
4            5                            1                            1  
One who said he'd rather be alone,  
4            5                            1                            1  
If you could only see me now.

If I could <sup>1</sup> hold you now,  
4            5                            1                            1  
Just for a moment, if I could make you mine,  
4            5                            1                            1  
Just for a while, turn back the hands of time,  
4            5                            1                            1  
If I could only hold you now.

## Chorus:

*I've been too long in the <sup>4</sup> wind, <sup>5</sup>  
<sup>1</sup> Too long in the <sup>4</sup> rain.  
<sup>2-</sup> Taking any comfort that I can. <sup>5</sup> <sup>1</sup> <sup>1'</sup>  
<sup>4</sup> Looking back and longing for the <sup>5</sup>  
<sup>1</sup> Freedom of my <sup>4</sup> chains  
<sup>2-</sup> Lying in your <sup>5</sup> loving arms <sup>1</sup> again.*

If you could <sup>1</sup> hear me now,  
4            5                            1                            1  
Singing somewhere through the lonely nights,  
4            5                            1                            1  
Dreaming of the arms that held me tight,  
4            5                            1                            1  
If you could only hear me now.

(Chorus)
