Nobody Knows You - Jimmy Cox

C                    E⁷          A              A⁷
Once I lived the life of a millionaire
Dm           A       Dm              Dm⁷
Spending my money, I didn't care
F         F#°⁷            C           A    A⁷
Taking my friends out for a good time
D              D⁷      G             G⁷
Buying bootleg liquor, champagne and wine

C       E⁷       A           A⁷
Then I began to fall so low
Dm                A            Dm            Dm⁷
Didn't have no friends, and nowhere to go
F           F#°⁷         C        A   A⁷
If I get my hands on a dollar again
D         D⁷        G                   G⁷
Gon' hang on to it, till that old eagle grins

C   E⁷     A         A⁷
No, nobody knows you
Dm           A        Dm      Dm⁷
When you're down and out
F         F#°⁷        C       A      A⁷
In your pocket,    not one penny
D           D⁷       G             G⁷
And as for friends, you don't have any

C                    E⁷            A            A⁷
And when you get back on your feet again
Dm                     A      Dm              Dm⁷
Everybody wants to be ... your long lost friend
F                F#°⁷       C          A       A⁷
Hey, but it's strange, without any doubt
D        D⁷         G                 G⁷
Nobody knows you, when your down and out
