

Nokia Ringtone

Here's a very recognizable tune. It's an excerpt from "Grand Vals", a solo composition for guitar written by Francisco Tarrega in 1902. Most people recognize it, though, as the Nokia default ringtone.

Note the key signature: 3 sharps (key of A). So the scale has an F#, C#, and G# in it. That's why the middle C in the third measure, for example, is played on the first fret (C#) rather than as an open string (C). If all that doesn't make sense, don't worry about it. Just play and enjoy!

The image shows a musical score for the Nokia Ringtone. It consists of a treble clef staff with a key signature of three sharps (F#, C#, G#) and a 3/4 time signature. The melody is written in a simple, rhythmic style. Below the staff is a guitar tablature (TAB) section, which provides fret numbers for each string to play the melody. The tablature is organized into four measures, corresponding to the four measures of the melody above. The first measure has fret numbers 7, 5, 2, 4. The second measure has fret numbers 4, 2, 0, 2. The third measure has fret numbers 0, 0, 1, 0. The fourth measure has fret numbers 0, 0, 1, 0.
