

# Nothing Doing

Robins/Quinn 8/23

Intro: F C Dm7 G G7

C F C - F Bb F -  
I could do nothing today. Nothing stands in my way.  
G F C G C -  
It would be sweet, no deadlines to meet. Nothing to do is OK.  
C F C - F Bb F -  
I can, wait on my projects and chores. Don't have to add up my scores.  
G F C G C -  
Don't need to try, don't need to ask why. No sweat, no regret, no remorse.

## Chorus

F C  
For a while - I release my striving & schemes.  
Dm7 G G7  
'Cause the past - is a ghost, and the future's a dream,  
F C  
I am lost - in the sky, adrift with the clouds.  
Dm7 G G7  
Knowing there's - nothing, except what is now

Solo: Am E7 F G X 4 C

C F C - F Bb F -  
Doing nothing is a vanishing art. But it mends the mind and the heart.  
G F C G C -  
Nothing is better for this aging go-getter. Now is the time I can start.  
C F C - F Bb F -  
As I gaze on the breeze in the leaves, I watch my thoughts, floating free.  
G F C G C -  
There's not any crisis, no need for devices, And nothing I'm trying to be.

## Chorus

F C  
For a while - I release my striving & schemes.  
Dm7 G G7  
'Cause the past - is a ghost, and the future's a dream,  
F C  
I am lost - in the sky, adrift with the clouds.  
Dm7 G G7 C . . .  
Knowing there's - nothing except what is now
