I've got a long list of real good reasons for all the things I've done

I've got a picture in the back of my mind of what I've lost and what

G

I've won. I've survived every situation knowing when to freeze and

D

when to run. And regret is just a memory written on my brow.

G

And there's nothing I can do about it now.

G

D

I've got a wild and restless spirit I held my price through every deal

G

I've seen the fire of a woman's scorned, turn her heart of gold to steel

D

I've got the song of the voice inside me set to the rhythm of the wheel

And I've been dreaming like a child since the cradle broke the bow

G

And there's nothing I can do about it now.

C

CHORUS: Running through the changes going through the stages

G

F

coming round the corners of my life. Leaving doubt to fate staying

G

D

out too late, Waiting for the moon to say good night. >> Page 2

G

And I could cry for the time I've wasted but that's a waste of time and

D

tears, and I know just what I'd change if I went back in time somehow

G

But there's nothing I can do about it now.

BREAK: Vs. G, D, G, D, G
