Oh Lonesome Me written and recorded by Don Gibson

```
C                                G7
Everybody's going out and having fun
                                      C
I'm just a fool for staying home and having none
                C7              F    G7          C
I can't get over how she set me free  oh lonesome me

                                 G7
A bad mistake I'm making by just hanging round
                                      C
I know that I should have some fun and paint the town
                    C7                     F    G7          C
A lovesick fool is blind and just can't see  oh lonesome me
```

G7   D7
I'll bet she's not like me she's out and fancy free
**   G7**
She's flirtin' with the boys with all her charms
**   D7**
But I still love her so and brother don't you know
**   G7**
I'd welcome her right back here in my arms

**   C   G7**
Well there must be some way I can lose these lonesome blues
**   C**
Forget about the past and find somebody new
**   C7   F G7   C**
I've thought of everything from A to Z oh lonesome me
