

# Old Folkies Soundin' Croaky

Christine Robins 9-4-22 (Parody of "Oakie From Muskogee")

1. We jam on JamKazam cause we're old folkies, 1  
And a good ol' time is always guaranteed. 1 5<sub>7</sub>  
You won't find us shoppin' down on Main Street, 5<sub>7</sub>  
'Cause we'd rather sing our songs, with harmony. 5<sub>7</sub> 1

## CHORUS

*I'm proud to be a folkie soundin' croaky.  
JamKazam is where we have a ball.  
At times our tempos get a bit slow-pokey.  
Still, jammin' is the biggest thrill of all!*

2. We always make a party out of playin'  
We welcome bagpipes, sleigh bells, and kazoos.  
We don't get too fast or too fancy,  
Like the Grand Ole Opry stars always do.

3. We do bluegrass, gospel, folk, and classic country.  
Latency's the only thing we hate.  
We'll try almost anything acoustic.  
But we don't allow our songs to modulate!

## CHORUS

4. We don't care if your hair is long and shaggy.  
Or even if your views are not mainstream.  
Diminished chords are the roughest thing we're playin'  
As we jam away each day through our machines.

5. We get get our kicks with picks and licks and lyrics,  
Connected by electrons through a wire.  
They can keep their dammed ol' white lightnin'  
Cause we love music; nothin' gets us higher.

6. You won't find us rockin' out on YouTube.  
We don't go on tour and earn big bucks.  
We don't always know what we're doin',  
Cause our motto is... "We dare to suck!"

CHORUS (Repeat last line.)
