

# OLD HABITS

by: Hank Williams Jr.

**I kicked** the habit of smoking back some time ago.  
**G7** **C**  
And I tried the hard stuff, but I had to let all that go.  
**C7** **F**  
But the toughest thing I ever gave up was today.  
**G7** **C**  
Cause old habits like you are hard to break.  
**C** **C7** **F**  
**I used** lifesavers to help me get off cigarettes.  
**G7**  
But you know for your love, I ain't found no  
**C**  
lifesaver yet. And I've gone cold turkey, cause  
**C7** **F** **G7**  
there's not even one kiss a day. And old habits  
**C**  
like you are hard to break.  
**F** **C** **G7**  
**Old habits** like you, are hard to break. Love  
**C** **F**  
with someone new, is so hard to make. I had  
**C**  
grown so used to you and all of your ways.  
**G7** **C**  
And old habits like you are hard to break.  
**G7** **C**  
Yes old habits like you are hard to break.
