Orphan Train - U. Utah Phillips (5^7) Once I had a darling mother but I can't recall her name I had a baby brother who I'll never see again For the Children's Home is sending us out on the Orphan Train To try to find someone to take us in Chorus: (5')Take us in,, We have rode the Orphan Train Take us in we need a home we need a name,, Take us in,, Oh won't you be our kin we are looking for someone to take us in (5⁷) I have stolen from the poorbox I have begged the city streets I have swabbed the bars and poolrooms for a little bite to eat In my daddy's old green jacket and these rags upon my feet I'm just looking for someone to take me in (5^{7}) The Children's Home they gathered us me and all the rest They taught us to sit quietly until the food was blest Then they put us on the Orphan Train and sent us way out West To try and find someone to take us in (5^{7}) The farmers and their families they came from miles around we lined up on the platform at the station in each town And one by one we parted like some living lost and found And one by one we all were taken in (5')Now there's many a fine doctor or a teacher in your school There's many a good preacher who can teach the Golden Rule who started out an orphan sleeping in the freezing rain Whose life began out on the Orphan Train
