

Red Wing Recorded by the Steel Wheels

G C G
In the summer sun in nineteen eighty one
C G D7
The day was long till I heard the song whistle like the wind
G C G
And I was standing there dust was flying through the air
C G D7 G
Like days before when we believed in things we couldn't see

C G
Oh my red wing take me softly
D7 G
To my home now to my family
C G
Oh my red wing hold me closely
D7 G
Take me under the brightest sun

C G
When the day is done and another night has come
C G D7
I'll rest my weary bones and pray the bird I love hasn't flown away
G C G
And I recall again that to my kindest friends
C G D7 G
The ground below will be set free and with my love I'll be

repeat #2

C G
Mommy she has none she was never one
C G D7
By metal wings or death machines or anything between
G C G
And when my time has come and all my days are done
C G D7 G
If heaven waits we'll breach the gates on her wings we'll be one

repeat #2

C G
Oh my red wing take me softly
D7 G
To my home now to my family
C G
Oh my red wing hold me closely
D7 G
Take me under the setting sun
