

RED WING
THE STEEL DRIVERS

D G D
In the summer sun in nineteen eighty one
G D A7
The day was long till I heard the song whistle like the wind
D G D
And I was standing there dust was flying through the air
G D A7 D
Like days before when we believed in things we couldn't see

CHORUS

G D
Oh my Red Wing take me softly
A7 D
To my home now to my family
G D
Oh my Red Wing hold me closely
A7 D
Take me under the brightest (setting) sun

Gx4 Dx1

D G D
When the day is done and another night has come
G D A7
I'll rest my weary bones and pray the bird I love hasn't flown away
D G D
And I recall again that to my kindest friends
G D A7 D
The ground below will be set free and with my love I'll be

CHORUS

D G D
Mommy she has none she was never one
G D A7
By metal wings or death machines or anything between
D G D
And when my time has come and all my days are done
G D A7 D
If heaven waits we'll breach the gates on her wings we'll be one

CHORUS x 2

END w/Gx4, Dx1
