

# Sail Away - Neil Young

1 2m  
I could live inside a teepee  
5 1  
I could die in penthouse thirty-five  
1 2m  
You could lose me on the freeway  
5 4 1  
But I would still make it back a-live

Chorus:

5 1  
As long as we can sail a-way  
5 4 5  
As long as we can sail a-way  
1  
There'll be wind in the canyon  
2m  
Moon on the rise  
4 5 1  
As long as we can sail a-way  
4 5 1 (Tag)

1 2m  
See the losers in the best bars  
5 1  
Meet the winners in the di-ves  
1 2m  
where the people are the real stars  
5 4 1  
All the rest of their l-ives

(Chorus, Verse Break)

1 2m  
There is a road stretched out be-tween us  
5 1  
Like a ribbon on the high plain  
1 2m  
Down from Phoenix through Sa-linas  
5 4 1  
'Round the bend and back a-gain

(Chorus, Last line \* 3)
