

**Cabin on a Hill** - (Andy Davidson) *key of C*  
Structure: chs-vrs-chs-vrs-chs-Breaks-chs-/Bridge/-vrs-chs-Finale;

DOCK  
BOGGS

**Chorus:**

*I'm living all alone on this lost hill,*  
*One room cabin to keep me from the rain.*  
*Lost your love not my will, so I'm here just until,*  
*you take me back home again.*

START

(G) C Am  
Our little place, down by the river,  
F G  
was our home, for that year.  
C Am  
My darlin' dear, I still shiver,  
F G  
when I think, of all your tears.

**(Chorus)**

(G) C Am  
we kissed and walked, held hands together,  
F G  
I don't remember, growing apart.  
C Am  
Regrets each day, and now forever,  
F G  
These long days, they hurt my heart.

**(Chorus) ... Breaks ... (Chorus)**

**Bridge:**

C Am G  
My wayward wanders, I should have never.  
Am G  
we came apart, look how we live.  
Am G  
our loving days, are gone forever.  
F G  
Aren't you willing, to forgive?

(G) C Am  
You shared your heart, I was your drummer,  
F G  
You were willing to get close.  
C Am  
we shared our nights, all that summer,  
F G  
But then you found, that wilted rose.

**(Chorus)**

**(Chorus finale)**

C F C G C --> Am  
*Yes, I'm here just until, you take me back home again...*  
C G C  
*Please take me ba--ack, home again!*
