I'm gonna fight 'em all  
A seven nation army couldn't hold me back  
They're gonna rip it off  
Taking their time right behind my back

G Am Em

Back and forth through my mind, Behind a cigarette. (Em C B)(harp)

Don't want to hear about it  
Every single one's got a story to tell  
Everyone knows about it,  
From the Queen of England to the hounds of hell

And if I catch it coming back my way, I'm gonna serve it to you. (Em C B)(harp)

And that ain't what you want to hear, But that's what I'll do. (Em C B)(harp)

And the feeling coming from my bones, Says find a home. →

I'm going to Wichita  
Far from this opera for evermore  
I'm gonna work the straw  
Make the sweat drip out of every pore

And I'm bleeding(\*3), Right before the lord. (Em C B)(harp)

All the words are gonna bleed from me, And I will sing no more. (Em C B)(harp)

And the stains coming from my blood, Tell me go back home. →
