

silver wings – Merle Haggard (b)

1
silver wings shining in the sunlight
2m 5
Roaring engines headed somewhere in flight
1
They're taking you away, leaving me lonely
2m 5 1
silver wings slowly fading out of sight

2m 5
"Don't leave me," I cry
1 2m 1
Don't take that airplane ride
2m
But you locked me out of your mind
5
Left me standing here behind

1
silver wings shining in the sunlight
2m 5
Roaring engines headed somewhere in flight
1
They're taking you away, leaving me lonely
2m 5 1
silver wings slowly fading out of sight
