Small Town; John Mellencamp; (N) [page 1]

```
Well, I was born in a small town
And I live in a small town
Prob'ly die_in a small town
Oh, those small communities
All my friends are so small town
My parents live in the same small town
My job is so small town
Provides little opportunity
(1 5 4 5 x2)
L 5 4
Educated in a small town
Taught the fear of Jesus in a small town
Used to daydream in that small town
Another boring romantic, that's me
But I've seen_it all in a small town
Had myself \underline{a} ball in a small town
Married an LA doll and brought her to this small town
```

Now she's small town just like me

Well, I was born in a small town
