Key of "C"

C F C
I got a ol' blue blue shirt and it suits me just fine. I like the way it feels,
F C F C
so I wear it all the time. I got a old guitar it won't ever stay in tune.
G7 C
I like the way it sounds in a dark and empty room.

C F C F
I got a ol' pair of boots and they fit just right. I can work all day and I
C F C
can dance all night. I got a ol' used car and it runs just like a top
G7 C
I get the fellin' it ain't ever gonna stop.

C F C
CHORUS: Stuff that works, stuff that holds up. The kind of stuff
G7 C F C
you don't hang on the wall. Stuff that's real, stuff you feel
G7 C
The kind of stuff you reach for when you fall.

BREAK: C, F C, F, C, F C, G7, C
C F C
I got a pretty good friend who's seen me at my worst. He can't tell if
F C F
I'm a blessing or a curse. But he always shows up when the chips
C G7 C
are down. That's the kind of stuff I like to be around. >> **CHORUS:**

C F C
I got a woman I love she's crazy and paints like God. She's got a
F C
playground sense of justice she won't take odds. I got a tattoo with
F C G7
her name right through my soul. I think everything she touches
C
turns go to gold. >> **CHORUS:**
