CHORUS:

Just one thing I ask of you, just one thing for me

Please forget you know my name, my darling sugaree

Shake it, shake it sugaree, just don't tell them that you know me

5 1 6m 4 1

Shake it, shake it sugaree, just don't tell them that you know me

The state of the s

Well in spite of all you had gained
5 1 4 1
Still had to stand out in the pouring rain
5 1 4 1
One last voice is calling you

And I guess it's time you go

(Chorus)

Well shake it up now sugaree,

I'll meet you at the jubilee

5 1 4 1

And if that jubilee dont come

well i'll meet you on the run

(Chorus)

5 1 6m 4
Shake it, shake it sugaree, just don't tell them that you know me
5 1 6m 4
Shake it, shake it sugaree, just don't tell them that you know me
