

Take Me In Your Lifeboat; Frank Southern (1935)

Chorus:

D *G*
Take me in your lifeboat oh take me in your lifeboat
D *A*
It will stand the raging storm...
D *G*
Take me in your lifeboat oh take me in your lifeboat
D *A* *D*
It will bear my spirit ho-me

D *G*
Now come brothers sisters and don't fall asleep
D *A*
But pray night and day or you'll sink in the deep
D *G*
Fathers and mothers are praying so loud
D *A* *D*
Saying Lord won't you take me in your life-boat

(Chorus)

D *G*
The clouds are so heavy the winds are so loud
D *A*
The thunder is rolling bursting in the clouds
D *G*
They pray to their shipmates for what they have done
D *A* *D*
They took the dying sinners in their life-boat

(Chorus)
